

ALEKHANDRO LAGO NAVARRO

FRONTEND DEVELOPER

PROFILE

I am a Front End developer looking for a full-time job position. My favorite part of programming is the problem-solving aspect. I love the feeling of finally figuring out a solution to a problem. My core stack is JavaScript, React, Next.js, Node.js. I am also familiar with TypeScript, Tailwind CSS, Redux Toolkit. I am always looking to learn new technologies.

I am a fast learner, responsible, highly self-motivated and goal-oriented, adaptable and responsible.

I look forward to working in an organization, where I can utilize my knowledge and discharge the responsibilities assigned to me in the best possible manner, which can result in a relationship of mutual development.
